The Honorable Jocelyn G. Boyd
Chief Clerk / Administrator
Public Service Commission of South Carolina
101 Executive Center Drive, Suite 100
Columbia, South Carolina 29210

RE: Piedmont Natural Gas Company, Inc.
Notice of New Natural Gas Construction Project
Docket No. 2012-278-G

Dear Ms. Boyd:

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "[o]f any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412.2.7. In compliance with Commission regulation, this letter serves as notification to the Commission that Piedmont plans to replace the existing Belton Border station on a new piece of property adjacent to the Williams site. The station will continue to be fed by Williams-Transco. The existing station is located on Highway 20, south of Sherrard Road in Belton, South Carolina. This project (FP0826275) includes new 6" regulators, a 4" meter, a heater and a control building, which will be located directly behind the existing station. The station has antiquated and obsolescent equipment as it was originally fabricated in the 1950's. The Company expects this project to be completed in March of 2015.

By copy of this letter, Piedmont is also notifying ORS of this construction pursuant to S.C. Code Ann. Reg 103-412.2.7(A).

Please do not hesitate to contact us with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Kally Couzens".

Kally Couzens
